

CatNap from the Heart

Kittens and Cats For Adoption

Monday-Friday: 9 am to 5 pm 🐾 Saturday: 9 am to 4 pm 🐾 Sunday: 1 pm to 4 pm

If you are thinking about adopting a kitten or a cat, come visit our shelter in LaGrange Park!

- 🐾 All cats and kittens live comfortably at CatNap until the right human companion comes along — there is NO time limit for any of our animals.
- 🐾 All cats are FELV-FIV negative and have current FVRCP.
- 🐾 Adults (5 months and up) are spayed or neutered.
- 🐾 Kittens are not spayed or neutered, however, we offer low-cost surgery at time of maturity.
- 🐾 Since many of our cats are owner give-ups, a number of them may be declawed and/or micro-chipped and have current rabies vaccine.
- 🐾 We also have bunnies, birds, and small mammals available for adoption.

About CatNap

CatNap From the Heart is a nonprofit animal shelter, specializing in the boarding and adoption of cats and kittens. We also handle the boarding and adoption of bunnies, ferrets, guinea pigs, and other small mammals and birds.

Our Philosophy

At CatNap, we believe in the love and care of the extended family we call pets and companions. We pride ourselves in offering the next best thing to home. Along with maintaining a set daily schedule to reduce stress, petting is always abundant! When you must leave your pet, leave them in the hands of love. Leave them with us at CatNap!
